

Howell Estates Homeowners Association

JANUARY 2011

ANNUAL DUES

Yes, it's that time of year !
Membership to your own
homeowners association is
still capped at a modest
\$25.00 only.

This small contribution
from you has enabled your
association to do so much.

The exterior wall has been
painted, a new sign at the
Grand Road entrance which
prevents vandalism the
previous sign suffered and a
partial upgrade of the Dike
Road entrance.

What does 2011 hold?

The HEHA would like to
complete the upgrades to
the Dike Road entrance
with vandal proof signage
and an additional light at
the end of the median.

We would also continue the
tradition of providing a
small flag to each home on
an appropriate holiday.

Your contribution also
funds community wide
events.

If you have suggestions for
any other events or im-
provements just let us
know.

Who won the competition?
Everyone did so well this
year it made the choice very
difficult.

Check our website for the
photos and the names of the
winners.

Welcome home !

2010 brought some new
faces to the community.

We hoping you'll enjoy
Howell Estates as much as
we do.

Welcome to our happy
neighborhood!

Message from the president...

As president of the Howell Estates Homeowners Association I would like to thank all of our neighbors that make this such a great community to live in. Your dues, though voluntary, are what helps keep the community looking great!

We all tend to rush through our days, zipping from place to place. Take a moment to look around and be considerate of each other. Help make it a safer place to live by reporting any suspicious activity.

Rick Mehlenbacher, Howell Estates HOA president.
